EASY LOADING

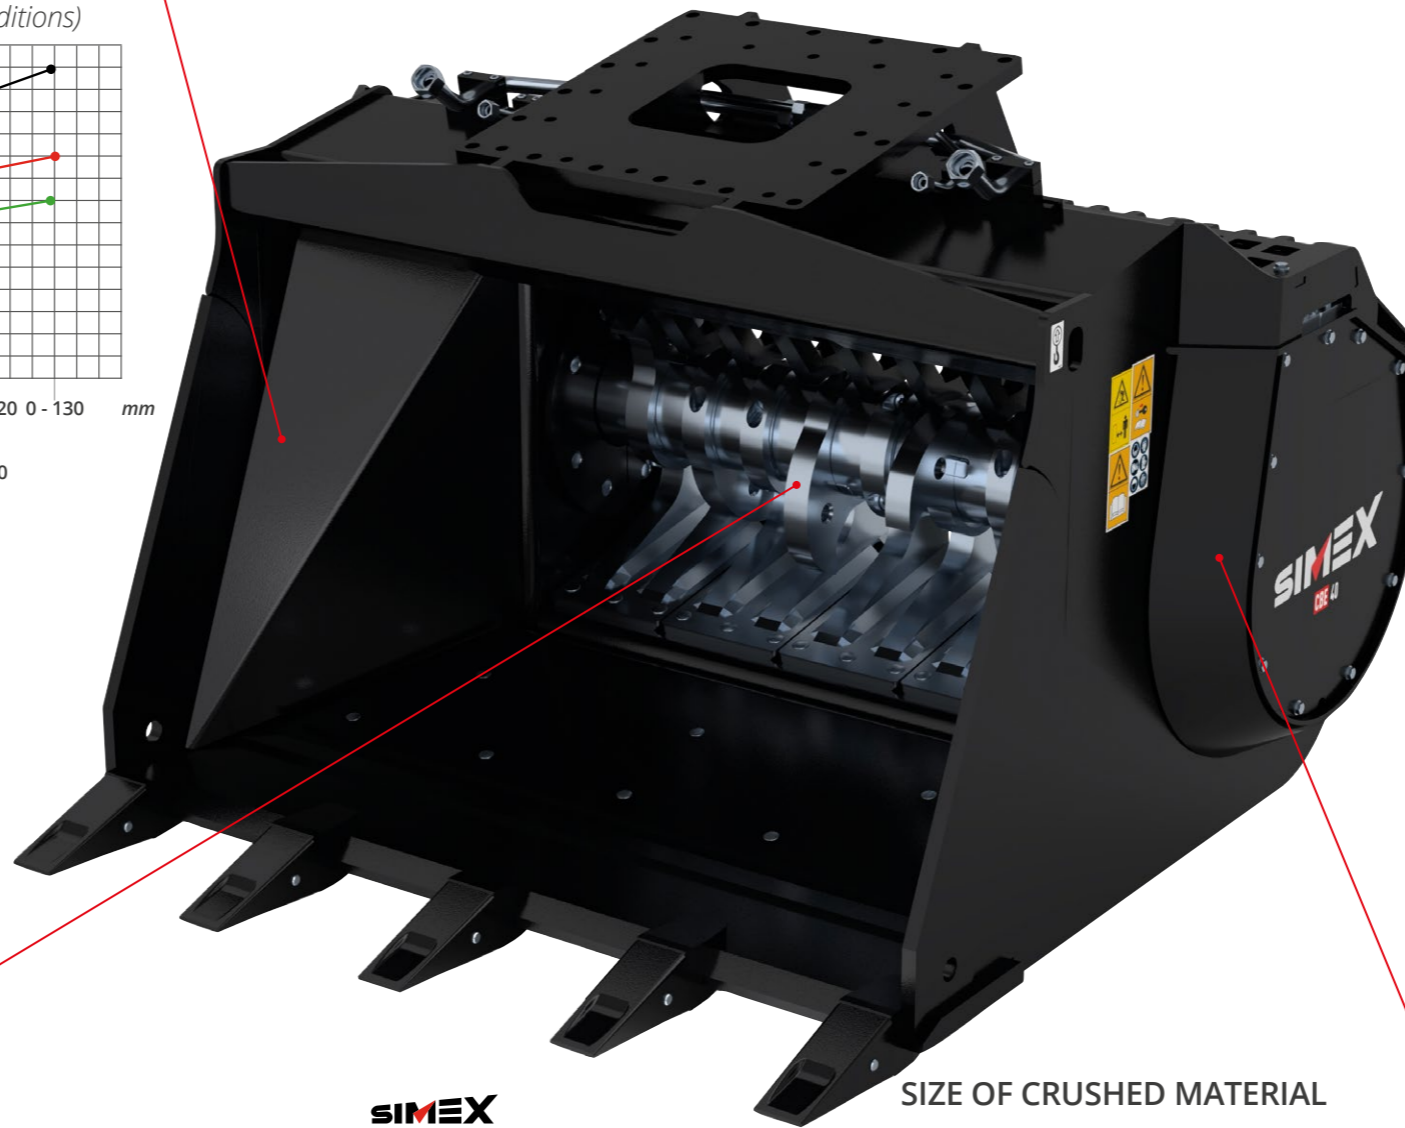

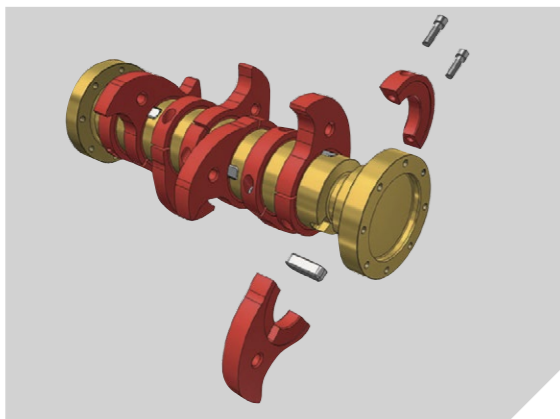

Works fast and efficiently thanks to the drum design and large mouth shaped as a standard bucket.
Can operate with back or front loading.

m³/h Table of CBE production (in optimal working conditions)

BETTER PROTECTION AND LONGER LIFE

Thanks to tools with anti-wear surface.
Simple, quick tool replacement.

SIMEX
• patent •

UNAFFECTED

by the presence of iron rods, soil, humid or wet material.

Crushable materials: bricks, reinforced concrete, natural aggregates, concrete, tiles, glass and asphalt slabs.

EXCEPTIONAL CUTTING FORCE

Allows crushing of any material thanks to rotor activated by hydraulic piston motors in direct drive.

Automatic system inverts drum rotation in case of blocking.
